Political Foe Job

Washington, May 26.—(AP)—John Lewis today gave an old union political foe, Ray Edmundson, another job in the United Mine Workers.

Today he was named Kansas City regional director for the IMW's miscellaneous district 50, effective June 1.

Ann Stanley, 4402 Cottage Grove, Chicago, suggests you try Rennel if you are overweight.

"It is really a pleasure to me to highly recommend Rennel to men and women anxious to lose unnecessary fat. When I began using Rennel I weighed 163 pounds and wore a size 20½ dress. I intend to keep my figure perfect with Rennel and wouldn't be without it. If you are overweight, try it yourself and you will be as pleased as I am. Hundreds of others have obtained similar relief from the social and physical discomfort of being overweight. Why not try this effective yet inexpensive method of reducing and enjoy the pleasure of feeling younger and more alive. Try Rennel and notice the difference. Insist upon genuine Rennel."

Training School For 4-H Officers Held At Virginia

Virginia.—Approximately 100 4-H members and leaders gathered at the Virginia High school to attend a 4-H officers training school. Registration began at 9:30 a.m. During the morning the members were divided into groups, according to their office. Mr. Greer talked to the president and vice-president; Dorothy Virgin was with the secretaries; Mrs. King was with the reporters; and Mrs. Herzberger and Mrs. Peterson were with the recreation chairmen.

In the afternoon an election of officers for the 4-H Club federation was held and the following were elected to serve one year: president, Eddie Klokner of the Bluff Springs club; vice president, Donald Davidmeyer of the Union 4-H club; secretary, Margaret Virgin of the Union 4-H club; treasurer, Vernon Anderson of the Virginia 4-H club; reporter, Mary Ann Davis of the Happy-Go-Lucky club; recreation chairman, Theresa Peterson of the Jolly Jokers club. An installation of officers was held by Mr. Greer. This was followed by songs led by Dorothy Virgin accompanied by Mrs. King.

The 4-H clubs of Ocas county are planning to make a tour to the University of Illinois on Wednesday.

Looking Ahead To 1949 Morgan County Fair

Several officers and members of the Morgan County Agricultural Fair Association in company with Jake Ward, in charge of state aid to county fairs, are shown as they inspected the local fair grounds, where next year the annual exposition will be revived after the war years. Extensive improvements have been made at the grounds and more are scheduled during the next year. Left to right in the picture are George Lukeman, Jr., vice president of the association; Robert A. Fay, Robert M. Capps, Claude Gustine, president of the association; R. Karl Baker, Jake Ward, Harry Merriman, S. N. Osborne, J. C. Cotton, Fred Wharton and Earl Rembrough.

Mr. Ward congratulated the newly organized fair association for the progress it has made in rehabilitating the grounds and buildings. He said the State of Illinois will pay \$1,000 to the association for permanent improvements, if the association matches that amount. Mr. Ward also explained the system through which the state contributes substantial funds each year for prizes at agriculture fairs. The Morgan county fair will receive support of that nature.

From where I sit... by Joe Marsh

It's Leap Year, Girls!

First girl in our town to "get her man" on Leap Year was the Cuppers' daughter, Jane, who wed Bill Webster's boy last Saturday.

When I asked Bill Jr. if it was true that Jane really did the proposing, Bill said: No, but she made it plain she'd make an ideal wife. Instead of looking for diversion or excitement every evening, she was content to chat beside the fire.

"I could plainly see," says Bill, "that we'd really have a happy home life—which is just exactly what I want from marriage."

I know it's usual for older folks to shake their heads over the younger generation. (It's gone on for hundreds of years, now.)

But from where I sit, young people of marrying age today are every bit as commendable as their elders were—in their temperance (a glass of beer for instance), tolerance, and common sense. So to Jane and Bill—the best of luck!

Browns Defeated 5-3 By Boston In Tenth

St. Louis, May 26.—(P)—The Boston Red Sox defeated the St. Louis Browns 5-3 today, with Sam Mele scoring the deciding run when catcher Less Moss fumbled Don DiMaggio's attempted sacrifice and threw wild to first base for a double error. The game drew 2,897.

It was Boston's first victory in five games. Mele's double at the start of the 10th inning was the only extra base blow of the game. DiMaggio scored later in the inning on an outfield fly off the bat of Vern Stephens, who drove in three of the runs.

A contract for 112 new electric trolley coaches under construction here by the Pullman-Standard company specifies a speed limit of 30 miles an hour. Schmitz Licks Dodgers With Help Of Homers

Brooklyn, May 26.—(P)—Johnny Schmitz hurled the Chicago Cubs to a six-hit victory over Brooklyn Wednesday night, 4-1, with the help of homers by Bill Nicholson and Hal Jeffcoat.

Willard Ramsdell was touched for both homers in his seven-inning stint. Nicholson opened the scoring in the fourth and Jeffcoat hit the seventh. Ed Watkins walked in the seventh.

The Cubs picked up their other run in the fourth after Nicholson's fourth homer on a double by Clarence Madden and Roy Smalley's single.

Gil Hodges broke Schmitz' shut-out bid with a fifth-inning homer. Chicago led 4-0 at the half.

Reds Down Braves
Boston, May 26.—(P)—Rallying behind Hank Sauer's 10th homer of the season, the Cincinnati Reds came from behind to catch an 8-5 win over the Boston Braves Wednesday night before 18,339. While gaining their first win in three starts against the tribesmen, the last-place Redlegs chased Warren Spahn, the Boston southpaw ace, with a two-run barrage in the sixth to take command.

Spahn gave way for Clyde Shoun, another pitcher, after Johnny Wyrostek doubled in Tommy Stallcup and pinch-runner Frank Baumholtz to give the Reds a 5-4 lead.

Sauer opened the next frame with a four-bagger over the center field fence for the deciding run. Then Shoun passed relief-pitcher Ken Raffensberger and was clubbed for a two-bagger by Ted Kluszewski before the game ended.

Williams Takes Split Decision From Bolanos
Los Angeles, May 26.—(P)—The Los Angeles camp was happy and the followers of Enrique Bolanos were unhappy and irate. That was the aftermath picture of last night's blistering 15-round lightweight championship fight before a record crowd in which Williams, the champion, retained his title by a split decision over Bolanos, the challenger from Mexico.

Referee Charley Indrinsano gave his vote to Bolanos, but the two judges, Johnny Indrinsano and Frankie Van, voted for the lithe negro lad from Trenton, N. J.

A crowd estimated at 26,000 which paid a gross of \$152,000 witnessed the scrap. The gate receipts broke Los Angeles' old outdoor record of \$128,635 set in 1929 by Mickey Walker and Ace Hudkins.

The fight was action-packed from start to finish. Williams stalked in, floated, forever trying to land his well-known knockout wallop, and Bolanos, a shifty, jabbing left hook artist, moved in and out, never letting the champ get set.

Aside from Williams' big round in the tenth, when Bolanos ran smack into a high hand and then fell victim to punishing blows to the head, no round was decided by more than a point.

Mark Dean Named Grid Mentor At Superior College

Dean, a graduate of Northern Illinois State College of DeKalb, Ill., will begin his duties June 30. He will also assist Basketball Coach Leo DiMarco.

Dean had good seasons at Roodhouse and at Austin Junior College, where he took over after being discharged from service. While in the navy, Dean coached successful service teams in Florida.

Sports Shorts

Brooklyn, May 26.—(P)—Brooklyn Dodger officials Wednesday refused to confirm reports that waivers had been asked on Jackie Robinson, Negro infielder.

Harold Parrott, secretary of the Dodgers, denied this had been done. Manager Leo Durocher said "I don't know where anyone could get such a report," and another Dodger official said that if it were true it had no significance.

Big Nine Meets
Evanston, Ill., May 26.—(P)—Full squads from all Big Nine schools will battle for individual and team titles in the conference golf and tennis championships this weekend.

Northwestern will defend its team title in the tennis meet which opens with first round play in singles and doubles Thursday.

Undeclared Michigan begins its golf championship defense in the two-day medal competition starting Friday.

Americans Advance
Paris, May 26.—(P)—Three all-American teams reached the women's doubles semi-finals Wednesday in the French International Tennis championships.

Shirley Fry of Akron, Ohio, and Mrs. Mary Arnold Prentiss of Los Angeles advanced at the expense of two other Americans, Gloria Butler and Argyi Rice, both of New York, 6-4, 6-1.

Doris Hart of Miami, Fla., and Mrs. Pat Todd of La Jolla, Calif., eliminated the French team of Simone Panetier and Mrs. Jacqueline Paterni, 6-2, 6-4.

Barbara Scofield of San Francisco and Mrs. Helen Ribbany of Boston defeated Mrs. Paulette Fritz of France and Mrs. Sandonnino Migliori of Italy, 6-2, 6-0.

Records To Fall
Madison, Wis., May 26.—(P)—Two records are almost sure to fall and as many as six may go by the boards in the 48th annual running of the Western conference outdoor track meet Friday and Saturday.

Michigan's Charles Fonville, who already has a world record of 58 feet 3.8 inch up for approval in the shot put, is a dead cinch to break his own conference mark of 34 feet 1 inch, and Fortune Gordien of Minnesota is almost equally certain to shove aside the discus mark.

Other possible record breakers are Charley Peters of Indiana in the 220 yard dash, Lloyd Duff of Ohio State in the high hurdles, George Walker of Illinois in the 1500 and Dwight Eddleman of Illinois in the high jump.

RALLY IN WHEAT SPREADS TO OTHER GRAINS; PRICES UP
Chicago, May 26.—(P)—A brisk rally which started in wheat spread to other grains on the Board of Trade today. Prices were up a few cents at times following a slightly lower trend at the opening.

Buying of wheat was based on news that the government was re-entering the export flour market. Some short-covering appeared in feed grains, notably new crop corn deliveries.

Cash dealers reported they booked 10,000 bushels of 1948 crop oats, the first new crop grain thus far purchased on a to-arrive basis. Shipping sales of oats were fairly large at 50,000 bushels and prices in the spot market were firm.

Wheat closed 1-1/2 higher, July \$2.34-23.5; corn was 2 to 3 cents higher, July \$1.21-21.5; oats were 1 to 2 cents higher; July 92c, and soybeans were 5 to 6 cents higher, July \$4.01-1.

Merchants In Victory; Myers Downs Legion

The slim crowd which turned out for the Jacksonville Recreation club's regular Wednesday night doubleheader at Nichols Park diamond was rewarded with two thrilling tilts which were decided by one-run margins.

The Jacksonville Merchants, making their first appearance against out-of-town competition, managed to subdue the East Tire Sales team from Jerseyville in a wild 8-7 finale. But the AA league practice preliminary stole the show as the Myers Bros. aggregation overpowered the American Legion in a 4-3 combat played in 55 minutes.

The Merchants led by a substantial margin through most of the final encounter, but had to put down a Jerseyville rally in the seventh to eke out the decision. Suttles hurried the first six frames for the hosts, but gave way to J. Clinton in the last inning. Clinton just managed to save the tough battle.

J. Clinton got the Merchants off to a good start with a homer. The Merchants' win made it four in five home appearances against out-of-town teams for clubs representing this community.

Nobody Loves Forever

By Marguerite Brucker Copyright by Arcadia House, Inc. Distributed by NEA SERVICE, INC.

THE STORY: Jessica dances with the stranger from the airport. His name is David Gregory. Jessica is attracted to him. Feels guilty about it. He drives her home, wants to see her again. She refuses. He phones her several times. Jessica always says she's busy. But this brief glimpse of a different world has made her more restless and unhappy in her present environment than ever.

Doris sat staring thoughtfully across the street. "The Blakes know about him?"

"There's nothing to know. Lucy was properly shocked, but everything shocks Lucy. She never looks at a man except her employer."

DORIS made no comment and shortly afterward Jessica left. She found Lucy just returning from the office looking drawn and haggard. She refused the supper Jessica offered to prepare for her. She said, "Where's Mother?"

"Gone to a church meeting. Betty's in bed and asleep and I went across and talked to Doris for a few moments."

"I can't understand your interest in that girl," Lucy took off her plain felt hat and ran her fingers through her blond hair and loosened it.

Jessica stood watching her. How lovely Lucy could be if she'd only try. Something of this colored her tone as she said, "You can't understand anything but working like a slave for a man who probably doesn't appreciate what you do."

Lucy whirled. "But he does! Hugh Linton took me in to work for him when I was inexperienced and he held just a minor position at the factory. That was four years ago. He says that he owes much of his present success to my efficiency, and I owe him everything."

Her voice broke and she sank into a chair and leaned her head against the back and closed her eyes. Then she sat up and said apologetically, "I didn't mean to seem abrupt, but my job means everything to me. Mr. Linton has been liberal as you must know, for my salary helps to keep this home. Mother had only a tiny income from an insurance policy my father left her."

"What was he like?" asked Jessica curiously.

"My father?" Lucy stared thoughtfully at her clasped hands

for a moment. Then she said, "I don't think he was any success. He was lazy. He worked at different jobs, as I remember, and then became a city fireman."

She smiled faintly. "As far back as I can remember, Mother always listened for the fire siren, and even yet she has a passion for attending fires. It seems silly, doesn't it, when she's so strong-minded and emotionless?"

"My father was killed in a fire downtown. I was only 12 years old and Tom was 14. Tom worked after school at odd jobs until he was old enough to go into the factories. Mother went to work by the day and I took care of children nights. You wouldn't understand a life like that, would you?"

Jessica shook her head.

Lucy went on, "Mother and Tom provided the money for my business course because they didn't want me to go into the rubber factories. When Mr. Linton gave me a position as his secretary I was proud."

Work and save. That had been Lucy's life. Jessica rose impulsively and kissed her. She said briskly, "Nevertheless, there are limits to what any girl should do for her family, Lucy."

She went downtown the next day, leaving Betty with Doris, and told the jeweler with whom she had left her ring that she had decided to sell it. He smiled, well pleased. He said, "Mr. Linton will be delighted. He is quite determined to have the ring."

"Mr. Linton?" she asked.

"Hugh Linton. He's an executive in one of the rubber plants and a very good customer."

Jessica didn't want that thin-lipped arrogant man with the cold light eyes to possess her mother's ring. She concealed her astonishment that he and Lucy's employer were the same. She debated whether to tell Lucy that she had seen Hugh Linton. But then if she discussed Hugh Linton with Lucy, she would have to divulge the position of the money brought from the ring's sale; and for the present she determined to keep that money a secret.

25,000 Field Tiles Laid To Drain Ten Acre Spot

By the Journal-Courier Farm Editor

Bluffs—A \$6,000 dollar investment in tile drains to put 10 acres into production has been completed on the Clyde Williams farm west of Chapin. This section of the farm had never raised a good crop; it stayed wet and cold until far past the correct planting date.

The 25,000 field tiles were laid by the C. E. Phillips Construction company of Roodhouse. A machine operated by two men dug the trench in depths ranging from 30 inches to seven and one-half feet. A bulldozer was used to fill the ditch.

The main line is approximately a mile long. Altogether three main lines of varying length were laid.

Although the initial cost of reclaiming the 10 acre field was very high, the owner expects the increased yield to refund the cost within a 10 year period. It will probably do that easily, especially if farm produce prices remain somewhat near their current levels.

Mr. Williams and his son, Charles, farm approximately 800 acres. They are well-known livestock producers, raising about 500 hogs annually. A herd of stock cows is kept on the farm and about 100 steers are fattened for market each year.

The father and son are interested in soil improvement and maintenance and attempt to carry out all practical soil building practices.

Foreman Bill Phillips was in charge of the work, which began on May 5. He flew his plane to the job almost daily, completing the installation last Saturday.

The main line terminates in the feedlot. Its discharge is expected to provide ample running water throughout most of the year.

Mr. Williams had the entire area surveyed to establish correct depth.

Two auto drivers were slightly injured in a traffic collision on the east side of the square at 4:10 p.m. Wednesday.

Mrs. Harold Sooy of rural route five, Jacksonville, stopped her 1947 Chevrolet to wait clearance of a parking spot that was being vacated by another motorist. Her auto was struck by a 1936 Chevrolet driven by Henry Spradlin, 822 E. Lafayette ave.

The front end of the Spradlin car was damaged considerably. Mrs. Sooy complained of pain in her neck and Spradlin received a cut in his forehead.

Police Officer Spreen investigated the accident.

Adlai Stevenson Talks At Demo Meeting Here

Adlai Stevenson, Democratic nominee for governor, expressed confidence in a Democratic victory and blasted the record of Republican state officials and candidates as he spoke informally last night at a meeting of party officials and workers. Fred Cain of Jacksonville, state Democratic committeeman from the 20th congressional district, presided at the meeting held in the Morgan county court house.

Satisfied With April Results
As he urged Democratic party members to keep busy during the summer months and thus secure victory in the fall, Mrs. Stevenson expressed complete satisfaction with the results of the April 13 primary election. "Taking into consideration three important factors in the Chicago primary: weather; lack of contests on the Democratic ticket; and widespread Wallace rallies and speeches several days before the election, the results in Cook county were especially gratifying," the speaker said.

He stated that the downstate Democratic primary vote was 56 per cent greater than in 1944, and even in the uncontested balloting in Chicago the increase was 6 per cent. Mrs. Stevenson compared this with Republican gains of 22 per cent in Chicago and only 3 per cent in the remainder of the state. The overall Republican gain of 110,000 votes was almost exactly equal to the increase polled by the Democratic party, which has fewer registered voters in Illinois, the speaker said.

Ora Smith Also Speaks
Ora Smith, the Democratic candidate for state treasurer, also addressed the assembly, composed of chairmen and committeemen from Morgan, Brown, Cass, Greene, Morgan, Schuler, Scott, Pike and Hendrickson counties.

Wednesday afternoon Mr. Stevenson, who will today address the Democratic state convention at Springfield, turned the business district and visited with local businessmen. "By meeting large numbers of voters, and visiting many communities, I can get a better picture of conditions in the state and what the people want in the way of government reforms," he said, and he concluded "I have enjoyed my visit in Jacksonville very much."

This was the Democratic gubernatorial candidate's first trip to Morgan county since shortly before the April primary. At that time he spoke at a public meeting at the Dunlap hotel.

Many farmers of this area are delaying the planting of soybeans. They are fearful the soil does not contain enough moisture to germinate the seed. Some said Wednesday new Farm Bureau warehouse, which they were "keeping the beans in the" being built near the railroad track until we get a good rain.

Corn and beans planted earlier tracks on North Main street in Virginia. This dance will be held at nine o'clock central standard, on Saturday night, May 29. The public is invited to attend. Proceeds from this dance will be used for helping to repair the Farm Bureau Auditorium.

In some sections of the area now-crops were busy cutting lush crops of clover and alfalfa. Having operations will be in full swing next week, unless the awaited rains delay. Many interesting programs were planned, including picnics, winter sports and educational features. The next meeting of the Rural Youth will be held June 7th, and the program will be a talk by a highway policeman. There will also be recreation.
